

Kansas Corn Growers Association 2018 Membership Sponsorship Form

To support the Kansas Yield Contest, Kansas Corn Growers Association is allowing industry partners to sponsor, or cover the cost, of a farmer's membership. To ensure we have accurate information for a farmer, please make sure the contact information provided is the farmer's, and not the company representative. Complete the billing information portion, or the membership cannot be processed. KCGA membership does also provide a farmer membership to the National Corn Growers Association as well. One-year membership is \$50.
