

Kansas Corn Growers Association Farm/Business Membership Form

The Kansas Corn Growers Association brings farmers together to connect with policy makers and regulators on the state and national levels. Our effectiveness and ability to create change begins with the strong support from our members. KCGA and NCGA keep members up to date through our newsletters, on the web and social media. Check out our many member benefits on our website at www.kscorn.com.

Our farm membership program allows farmers to take advantage of combining multiple owners, family members, or employees to their farm membership, at a discounted price. The regular cost of a 3-year membership is \$150, while a farm membership provides five, 3-year memberships for a price of \$700. Thanks for taking advantage of this program and allowing members of your operation to be a voice in our organization.
